It's Summer Time and it's hot! — and this is just the beginning. Oh how our Koi love it. It means food! Anyway, we are at the midpoint of the year and on the surface it appears our economy is on the mend. Time will tell, but my fingers are crossed. In my profession, things are looking up, so I hope elsewhere it is, too.

A major thanks to Hal and Susan Brown for hosting our summer social. While I was not able to attend, I heard from several that a good time was had by all. Again, thank you!

I unfortunately missed saying this in the June newsletter, but a handful of our members were in Nashville for the AKCA Seminar to watch Bill, Peggy, and Marilyn receive their AKCA Koi Persons of the year award. The seminar was great and a good time was had by all.

Our next meeting is coming up, and I'm excited about the location. James and Irene Yu are the owners of Atlanta Koi & Pond in Chamblee, and have been sponsors of our club for a number of years. A big importer of Japanese Koi, James also does pond construction and consultations.

I certainly hope to see many of you for this meeting, as we begin to update you on our upcoming Koi Show in September.

Take care!
Mike
