Hello all! Fall is in the air, and the temperatures seem to have dropped faster this year than in the recent past. I think our fish are a little on the confused side with the temps swinging up and down. It is a beautiful time of the year though and I especially enjoy the low humidity.

Looking back at the October meeting, I'd truly like to thank Bettie Nottingham and her son Kevin. Wow, what an incredible home they have right on Lake Lanier. But while they have an incredible home, pond, and gardens, the display of food was that of a culinary chef...something you'd find in a high end restaurant, and tasted like it too! Just incredible.

As we move towards the end of 2010, we have some unfinished business we need to attend to for the AKC. In our October Meeting we failed to have a club quorum, therefore our Officer Elections for Vice President and Treasurer were delayed until November. So, even though this is our Winter Social, we will need to have some official business.

I know we typically have a good turnout for socials, but I encourage as many of you to join us so that we can truly hold elections with as many people as possible. During the elections, we will open the floor again for any last minute nominations, give all those who accepted nominations a chance to speak, and finally collect vote ballots. We will announce newly elected officers during the social. Please note: For any new nominations from the floor, the person nominated must be present to accept the nomination.

Getting to know the chefs and talking good food.....

Looking forward to seeing everyone!!!

Take care!  
Mike

## The Sangria Koi Club

Founded at the Atlanta Koi Show 2008 Photo by Mike Hernandez

Okay, Mike Hernandez was there taking pictures of the Sangria Koi Club. Here is his picture of our club that was founded thanks to David Pugh & David Boyd from Atlanta Koi Club. Yes, my pitcher is on a leash so Nicole will not take it and hide it from me...like she did in Atlanta!! Kampai!

Michael Anderson  
Vice President

As my two year term as Vice President draws to a close, I would like to share a few thoughts. First, is a simple *thank you* for allowing me to serve as Vice President for the past two years. I have learned and grown while in the office. I hope that some of the programs and activities we have had over the past two years have given you the opportunity to grow as a koi keeper and a club member. Second, a big thanks to all the event show teams for making our Auctions, Pond Tour, and Koi Shows great events! Atlanta Koi Club has earned a reputation as great hosts. All that southern hospitality and wonderful sangria, has not gone unnoticed or unappreciated! Third, thanks for your participation in the Koibucks "stimulus package". Many of you won Koibucks at the club meetings. I hope you got the chance to spend those with our show vendors. I know the vendors appreciated the club looking out for them.

At the November meeting the club will select the slate of officers for 2010. I wish to thank all the candidates for stepping up and offering their services! They are to be commended! Regardless of which candidates are selected, the officers and general members of AKC will together face new opportunities and challenges in 2010. Are we up to it? Absolutely!!! Working together we can continue to fulfill our goal of sharing the joy of keeping koi.

I wish you and your families a safe and fun-filled holiday season. I look forward to seeing each of you at the January 2010 meeting.

Yours in Koi,  
Michael

## Treasury Report For 2009 Koi Show

Hello everyone. I for one had a great time at the 2009 koi show. It was my second year showing koi and luck was on my side. Took reserve champion as well as adult champion, AKCA award and first place Showa size one. It was a thrill to watch the judges contemplate on grand champion. Was real close from what everyone was saying. So this is two years in a row that Bart beat me out. I always thought that there was a home turf advantage. I guess that is not the case with koi shows. May have to pay the Middle Georgia club a visit in the spring and bring the big girls.

I want to thank Coastal Pond for their support and dedication to the club and the use of their facility during the show. Got to also thank all the chair personnel and of course the volunteers as well. Was a great showing of how a nonprofit club operates. In years past, the club wrote off a big portion of the event.

This year I am pleased to say that we just about broke even. Need to really hand it to the chair committee always concerned about budget and spending. The club took in roughly \$7,137 and spent about \$7,360 in expense. Out of the income, \$620 will be donated to KHV. Thank you for all the people that bid on the auction items.

So I for one am looking forward to the 2010 show and all the excitement it brings. The club is a great place to learn about koi, meet people and discuss the many aspects of koi keeping. See you all at the next show!!!

Robin Scott

Well, the October meeting has come and gone and we were supposed to have elections. Unfortunately, only 16 of our membership could make it to the meeting and that is not a quorum. The meeting was held at Betty Nottingham's because she stepped in when Doug Tatz's father passed away, and Doug couldn't hold the meeting. Was it a long way up to Gainesville and her house – Yes; was it worth the trip – absolutely! She has a spectacular yard and her son prepared a five star meal for the club.

If you've ordered a name tag and haven't picked it up, Ron and I will have all of the tags that have been ordered with us, but not picked up at the next meeting. Be sure and get yours.

AKC's total membership is currently at 164 members plus 7 Sponsors.
