What a difference a couple of years can make. With the rains we've had, I'm seriously feeling like we live in Seattle or Mobile...two cities that receive a great deal of rain annually. But it is certainly better than the alternative of no rain, like the drought we had a couple of years back. I hope everyone is having a great start to summer!

A few words of thanks... thank you to Carl and Vicki of Flat Rock Koi for hosting our May meeting. It's always fun seeing such great Koi and participate in pond pulls. Thank you.

Also, with a successful Auction like we had this year, a big thank you goes to Steve Castel for leading a great event, and to Coastal Pond Supply for hosting the event for us. Of course a HUGE thanks to the Fricke's and the army of volunteers who helped pull off this event. Your time and efforts are all appreciated.

As we near our Summer Social, I would like to appeal to as many members as possible to join us for this event. The event will be at Hal and Susan Brown's home. The Browns are always wonderful hosts. First and foremost, our club is a social club and having time with everyone is always special. Don't forget : the social is a "covered dish" luncheon – so be sure to bring a dish. (see article in newsletter for more info).

Lastly, we are stepping up preparations for our annual Koi show. I'd like to encourage members to think about volunteering for this fun event. If you're interested, please contact Bill or Peggy Fricke, or talk to them at one of our upcoming meetings.

Take care everyone! I wish everyone a safe summer, and if you've got a vacation scheduled...have a great time!

Mike

Chumley is better!
Those who went to Flat Rock may remember that Chumley was ill. He's on the mend.

Be sure to read it and enjoy!!**

**A NOTE
FROM the
Browns**

We hope to see you all at our home on Sunday, June, 13, 2010 @ 2:00pm. for the summer social. It is always a pleasure visiting with wonderful friends and meeting new ones.

We are smoking pork and salmon. Since this is a pot luck affair, please bring one dish (enough to feed 6-8)in any of the following categories: appetizer, veggie, casserole, salad, dessert etc. Please call or e-mail me so I will be able to coordinate. 770-973-2092 or littlespender191-s@yahoo.com

For those of you that haven't seen our pond, it is approximately 16,000 gals with a shade cover over pond & most of stone patio. There are 2 waterfalls cascading into the bog/plant pond and one small waterfall from bog into main pond where we have 27 Koi. Stepping stones cross the bog pond to get to a gazebo. We have two fans over the patio, one fan on deck and one in the gazebo to help keep us cooler. Don't forget to bring lawn chairs just in case.

Koi USA, Heads Up!

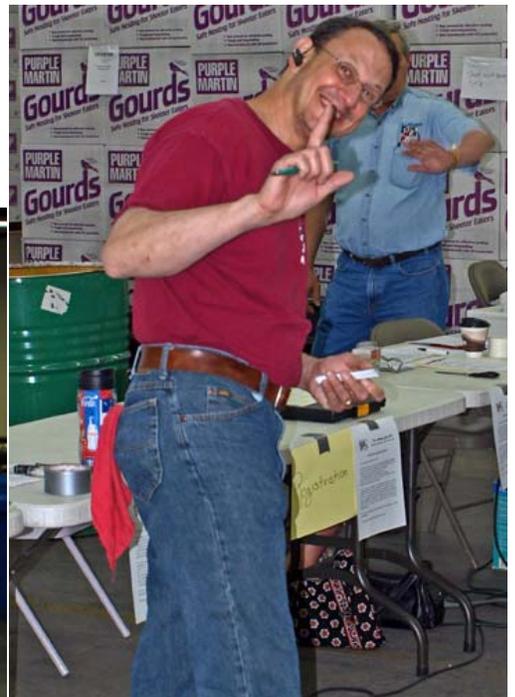

All Koi USA subscribers please be aware you must request the club member \$20 subscription price for AKCA club members each time you subscribe or renew your subscription to KOI USA.

PCS, the subscription service AKCA hired, groups subscribers into groups based on how they subscribed last. So, if you subscribed at the full rate of \$24.95 then the renewal invoice you receive at the end of that subscription will show that amount, even though you have joined an AKCA member club. Simply list the AKCA member club you belong to and send a check for the \$20 club member rate subscription for 1 year or \$36 club member rate for 2 years.

Unfortunately I wasn't able to attend last month's meeting, but I'm sure it was informative and fun as our meetings usually are. There were 29 members and 3 guests present. Our great club currently has 117 paid members. If you haven't yet paid your membership dues please do.

If you've ordered a name tag and haven't picked it up, they will be available at the June social; I've actually remembered to pick them all up from the engravers so be sure and get yours.

Hope everyone had a great and safe holiday weekend and we'll see you at the June social at the Brown's spectacular pond.
