

July, 2014

By The Pond

I hope you are enjoying the long days as much as I am. It gives me a couple hours every day after work to play in the yard and enjoy the ponds.

This month's meeting is the Summer Social and will be held at the Davids', Saturday, July 12th, arrive after 6pm, dinner will be at 6:30pm. It is always a great time and some excellent food will be served. Don't miss it. As it is the summer social, please bring your favorite side dish.

Diane has posted the koi show sign up genius, on the web and it is not too early to volunteer. There are still plenty of jobs available. You should also figure out which of your babies you want to enter into the show. I would love to see a good representation from our own club.

That's all for now, see you in a couple of weeks.....Gary

Financial Report

Please see the attached Financial Report.

Membership Information

We'd like to introduce and welcome the following new members: Angie Jones, Ben Esser and Dennis Beavers. Please make them feel welcome the next time they attend.

I have several name tags for members that have ordered them. Don't forget wearing your name tag gets you a free ticket for the raffle.

Koi Show 2014!

Every year the show seems to sneak up on us, Sept 12-14 will be our 20th anniversary. Two things are essential to every show; volunteers and fish. Diane Giangrande is the volunteer chair and once again has created a "signup genius" to make volunteering virtually effortless. Follow this link:

Meeting Information

Yea! It's time for our Summer Social. This year the Davids' (David Pugh and David Boyd) will be our hosts. For our new members...come hungry! The food is excellent, hospitality out of this world and the drinks will totally refresh you. It is customary to bring a side dish to the social; the Davids provide the "main" courses. Personally, I'm bringing a tasty dessert.

The date is Saturday, July 12th, arrive at 6pm, dinner will be served at 6:30pm. There will be lots of time for socializing during and after dinner. Their address is posted in the body of this email.

There is unlimited parking across the street in the church parking, please be respectful of their property.
