By The Pond

Well spring, or should I say summer, has finally arrived. Bout time too. We just got back from the Middle Ga Koi Show. It was a good show with some really nice large fish in the competition. Brett and Liz Wilson won it with a beautiful and huge Kohaku. Diane Giangrande took reserve grand champ in the long fin division with a very nice 6" shusui that beat many much larger entries. Congrats to her. You can see this fish on Saturday as she will be picking it up then.

Speaking of Saturday, everyone should plan on coming out to Flatrock Koi and enjoying a day of Koi. They just got in 4,500 tosai (1 year old) from Japan. There are longfins, metallics from Kase, goshiki and ginrin from Koda, and others to choose from. Probably be a pond pull or two, some tosai in there that no one has seen yet. The meeting is at 2pm but many people will be there earlier. Should be a great time.

Show preparation is under way and if anyone would like to get in on the planning and execution of the many projects that make up a show, please let me know. JoANN and I need all the help we can get.....

That's all for now. See ya Saturday!

Gary

Financial Report

Ron Scott is away on vacation, Financials will be updated next month.

Membership Information

Please welcome Ami Philips, Peggy Ferguson and Mark Warner.

Meeting Information

Hosted by Flat Rock Koi

Executive Board meets at 1pm

General Membership at 2pm

3831 Flat Rock Road
Watkinsville GA 30677
