## November, 2016

### By the Pond

by Diane Giangrande

Hi All,

I can't believe that the show is finally over. I'm not sure if I've fully recovered yet. If you haven't heard – it was a huge success. We had 220 fish entered and the foot traffic was amazing.

I want to thank everyone who volunteered at the show. Your help is very much appreciated - we can't do it without lots of help. There are some people who are deserving of special mention as they went over and above. So, a huge thank you goes out to the following folks (in no particular order):

The Davids for the Friday night dinner as well as the banquet.

Ken Jett for all the wonderful donations we received.

Cheryl & Karoy Jacobs for the amazing advertising they did – the increased foot traffic was noticed.

Gary & JoAnn Elmore for their endless work (too much to list).

Kyle Brech for all his help – I think he worked nonstop the whole weekend.

Bill Dowden for his behind the scenes coordination of tanks, hoses, carts, etc.

Michael Anderson for his help with setup and teardown.

A special thank you goes to our corporate sponsor, The Koi Store - for their work with setup and teardown – we could not have done this without Carl Forss (and Austin).

The November social and elections will be held at Ken Jett and Brendan Berg's on the 13th. Please remember that we need a quorum in order to have the elections so please plan on attending.

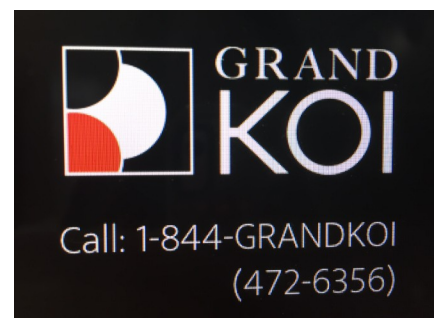

Hope to see everyone there.

Diane

The Dricker family continues to be lucky with raffles. Congratulations to Elaine Zitomer for winning the volunteer raffle at the Atlanta Koi Show! She is the proud owner of a Mauresi Kohaku. Each volunteer was awarded a raffle ticket for each shift they worked, up to a maximum of 5. Her name was the lucky one drawn. The Kohaku has a beautiful new home in their 33,000-gallon pond.

## October 2016 Koi Show

October 8 and 9 were the dates of our annual Koi show held at the Gwinnett Fairgrounds. Here are some of the photos taken on Friday's setup and Sunday's auction. Our official photographer, Jim Dricker, had taken over 169 pictures of every fish known to ichthyologists. Our success was due to the many hours contributed by our volunteers to make this event work!

### Unsung heroes

Just like the shovel-crew following the horse parade, these are the unsung heroes cleaning up the aftermath on Sunday.

Our November meeting will be our Winter Social at the home of Brendan Berg and Ken Jett on Sunday, November 13th. The Executive Committee will meet at 2:00 PM and the General Meeting will begin at 3:00 PM.

As is traditional for our social events, this will be a pot luck dinner. Brendan and Ken will be providing turkey and ham as the main course so members should bring their favorite appetizers, side dishes, and desserts. Beer, wine, soft drinks, and water will be provided. We are requested to park on only one side of the street per subdivision bylaws, so please park accordingly. I've also been told to tell members to bring lots of money as we will have a ton of raffle items available.

Also remember that this is an election meeting and we will be voting on the offices of President, Secretary, and Property Manager. We must have a quorum as determined by past meeting attendance so this is an important meeting to attend.

Jerry Johnson

This month we will be voting for a new President of the Koi Club, a new secretary and equipment manager. The nominations committee has nominated Diane Giangrande for President, Ken Jett and Bob Chaffer for Secretary and no one has accepted the nomination for Equipment Manager, the easiest position of all. Nominations will be accepted at the meeting up until the vote. So, please consider helping your club and volunteer to run for one of these positions.
