October, 2019

Hello All,

I hope everyone had a chance to attend the annual show this past weekend. It was a great show and we had a lot of really nice koi represented. We also had the Atlanta Bonsai Society and Master Gardeners Clubs in attendance. Some unique plants, bonsai exhibition and bonsai tutorials were experienced during the show as well. I would like to thank all the volunteers that helped to make this show a success. Each of you played a critical role in allowing us to continue to have an exciting show each year!

I would like to also thank our vendors for their continued support of our club and show. All of our wet vendors were sponsors for the show, which helps with the cost of the venue and trophies. We also had a lot of great items for the raffle, auction, and silent auction from their donations! Thank you for your support and generosity.

This month's meeting will be held at Bob and Sue Chaffer's home. The meeting will cover election of new officers for Vice President and Treasurer. With time allowing I would also like to have a debriefing of our show. Feedback is encouraged for the things we have done well and also constructive criticism for the things we can improve upon.

I hope to see everyone at our meeting at 2pm on October 13th at The Chaffer home! (Officers at 1pm)

Take care,

Chad C. Bishop, DVM
Atlanta Koi Club President

Vice President's Report

Melanie Onushko

NOMINATIONS

Just a reminder, the Nominations Committee has found the following members to run for office.

Vice President /Treasurer

Angie Jones/Ron Scott

Kim Munie/ Angie Jones

Kevin McDonough

We will accept nominations up until it's time to vote. Those people nominated will speak briefly. The rest of us need to respect the process and use our ballots to express our opinions.

Officer Responsibilities

*Vice President sets the calendar and speakers for the year. Attends monthly board meetings an hour prior to the regular meeting. Sends monthly meeting alerts to members and for newsletter.

*Treasurer prepares monthly statements, pays bills and is responsible for fulfilling the financial and insurance needs of the club. Attends monthly meetings and submits monthly reports for newsletter.

It was my pleasure to be nominated to complete the present year's VP's term. Thank you for making this job easier by volunteering your homes for meetings and for agreeing to be speakers on different topics. If you have a topic for the club, please let me know so I can pass it to the new VP. Don't be afraid to volunteer, there are a lot of little jobs to do that help keep things running smoothly. I'll still be helping with membership, behind the scenes **Melanie Onushko**

MEMBERSHIP

We currently have 150 members. Elaine Zitomer and Linda Voje did an excellent job as greeters at The Atlanta Koi Show. They signed up several new members and generated a lot of interest in the club. I think they had fun doing it too! Thank you for volunteering ladies.

NEXT MEETING

Bob and Sue Chaffer have offered to host the **October 13th** meeting at 2pm. The address will be sent separately. We will not have an educational topic, but we will be raffling off some commonly used products for this meeting. We will also be electing a new Vice President and Treasurer so please attend, we need to have a quorum.

If you are willing to host the Saturday evening social on **November 9th**, Please send me an email. I remember nothing when approached at meetings. ☐

Many of you may not know this, but the club will give you a check for \$150 to provide food/ beverages for a monthly meeting. We typically have around 35 people attend. For our July and November socials, you are given \$250 and there are usually 50 in attendance. So feel free to volunteer now for next year, I'll pass your name along to the new VP. Executive Team Discussion Items:

AKC Show

Trailer and show tank transit to Gwinnett County Fairgrounds
Replace shredded spare tire
Volunteers still needed

AKC note cards

Design/print blank cards to be multi-purpose use

By-law revision

Membership

Vice President position – perhaps have 2 VP's

VP1 - Assist President, monthly programs

VP2 - Arrange meeting locations

This bears repeating:

We have over 142 club members, but only need about 10 members per year to host their ponds. Nearly all of us have ponds to be proud of! Perhaps there is a fear of embarrassment about showing our pond to others, but remember that we all have unique ponds which have items of interest. We've had members hosting ponds from 350 to 13,000 gallons, who live in big or small houses. The club will give you a check for \$150 to provide food/ beverages for a monthly meeting. We typically have around 35 people attend. For our July and November socials, you are given \$250 and there are usually 50 in attendance.

Typically, a normal meeting would comprise of a heavy snack (think mini-sandwiches from Publix, Subway, Firehouse, or homemade BBQ, or pizza, desert, and liquid refreshments). It's really not hard to host! So feel free to volunteer now for next year, I'll pass your name along to the new VP. Melanie_o@comcast.net

Ps: We still need a host for November's Social meeting.....
